“

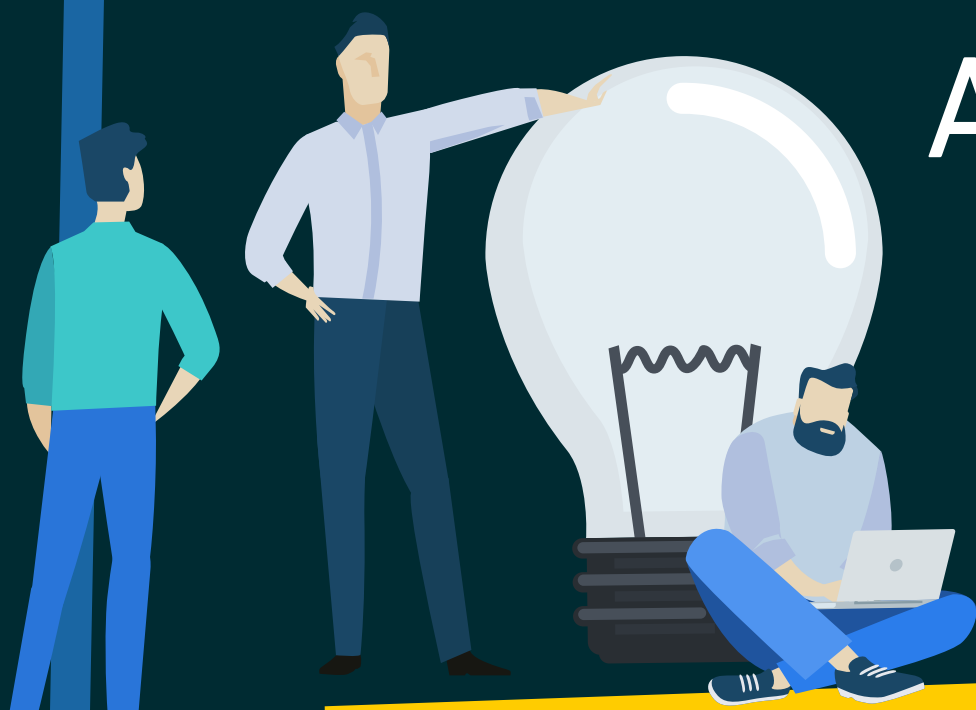

When we look at how we design our cities today, **we haven't changed much in about 200 years** when it comes to water and wastewater.

(DON'T!)
**WASTE
WATER**

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

Full story on dww.show

If we look at 70% of the World's population living in cities by 2050, we can either build back the exact same way or **we have a moment right now in history where we can rethink it!**

(DON'T!)
**WASTE
WATER**

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

Full story on dww.show

We see ourselves
as effectively
**extensions of a
city's municipal
operations**

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

(DON'T!)
**WASTE
WATER**

“

If you want to make sure that your city is going to have a fully recycled water capability in the next 5, 10, 15 years, **it's going to be very tough to do that at only the centralized level.**

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

(DON'T!)
**WASTE
WATER**

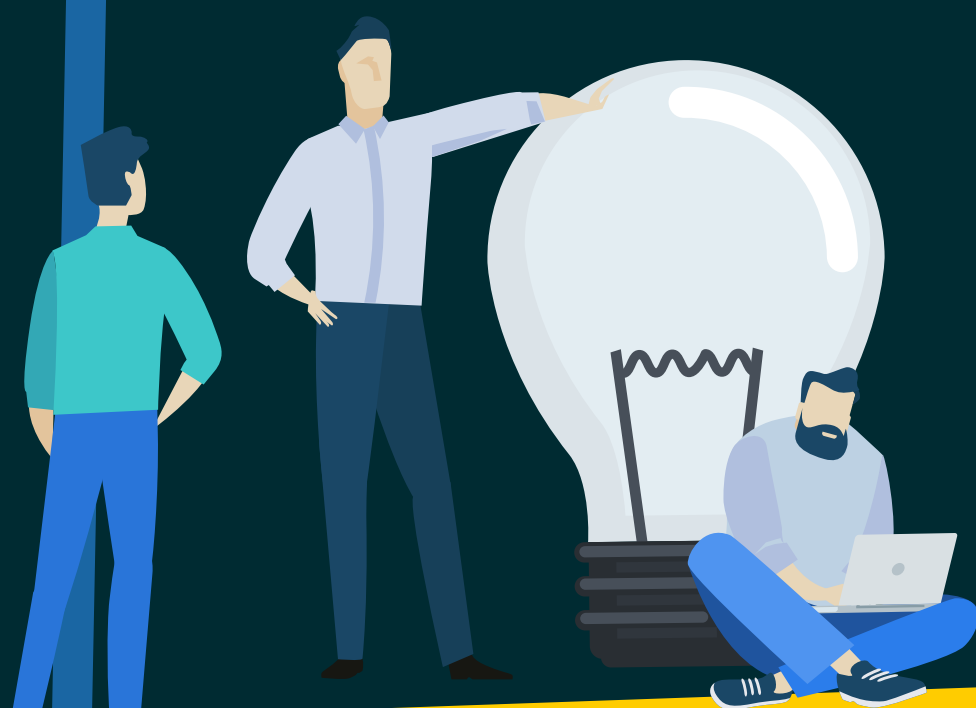

Full story on dww.show

We very much see
it as a **symbiotic
relationship** between
us and the utility

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

(DON'T!)

**WASTE
WATER**

Full story on dww.show

My vision is to make sure that we can **have water created where it's needed**, versus needing to move it where we need it.

Aaron Tartakovsky

CEO and Co-founder
of Epic Cleantec

(DON'T!)
**WASTE
WATER**

Full story on dww.show

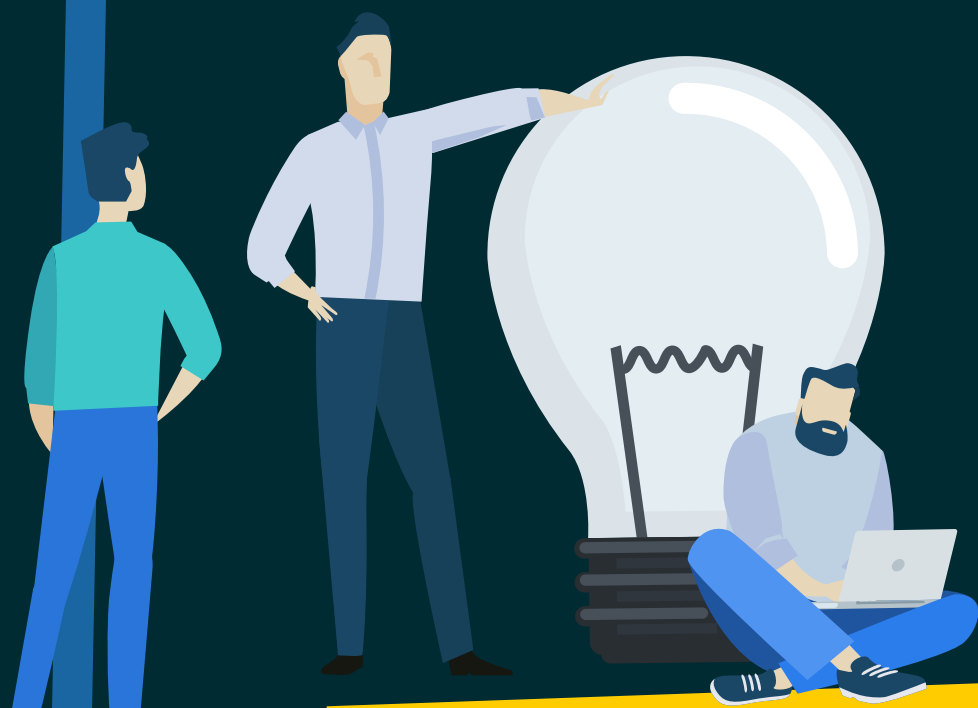

**We turn wastewater
into three outputs:
recycled water, organic
soil amendments and
recovered wastewater
heat.**

(DON'T!)
**WASTE
WATER**

Aaron Tartakovsky
