

Season 4 - Episode 2

DWW
SHOW

Best Quotes

of this week's Episode

If you got two
competing ideas,
probably, **the simpler
one is going to be the
one that is correct!**

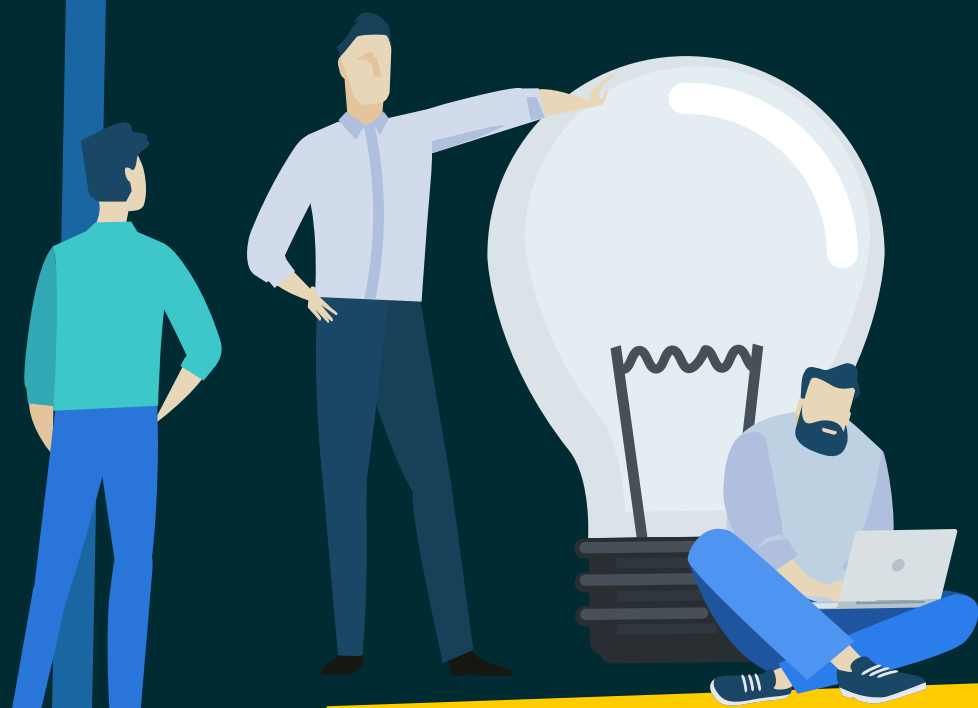

(DON'T!)

**WASTE
WATER**

Gerald Pollack

Author of "the
Fourth Phase of Water"

Full story on dww.show

“

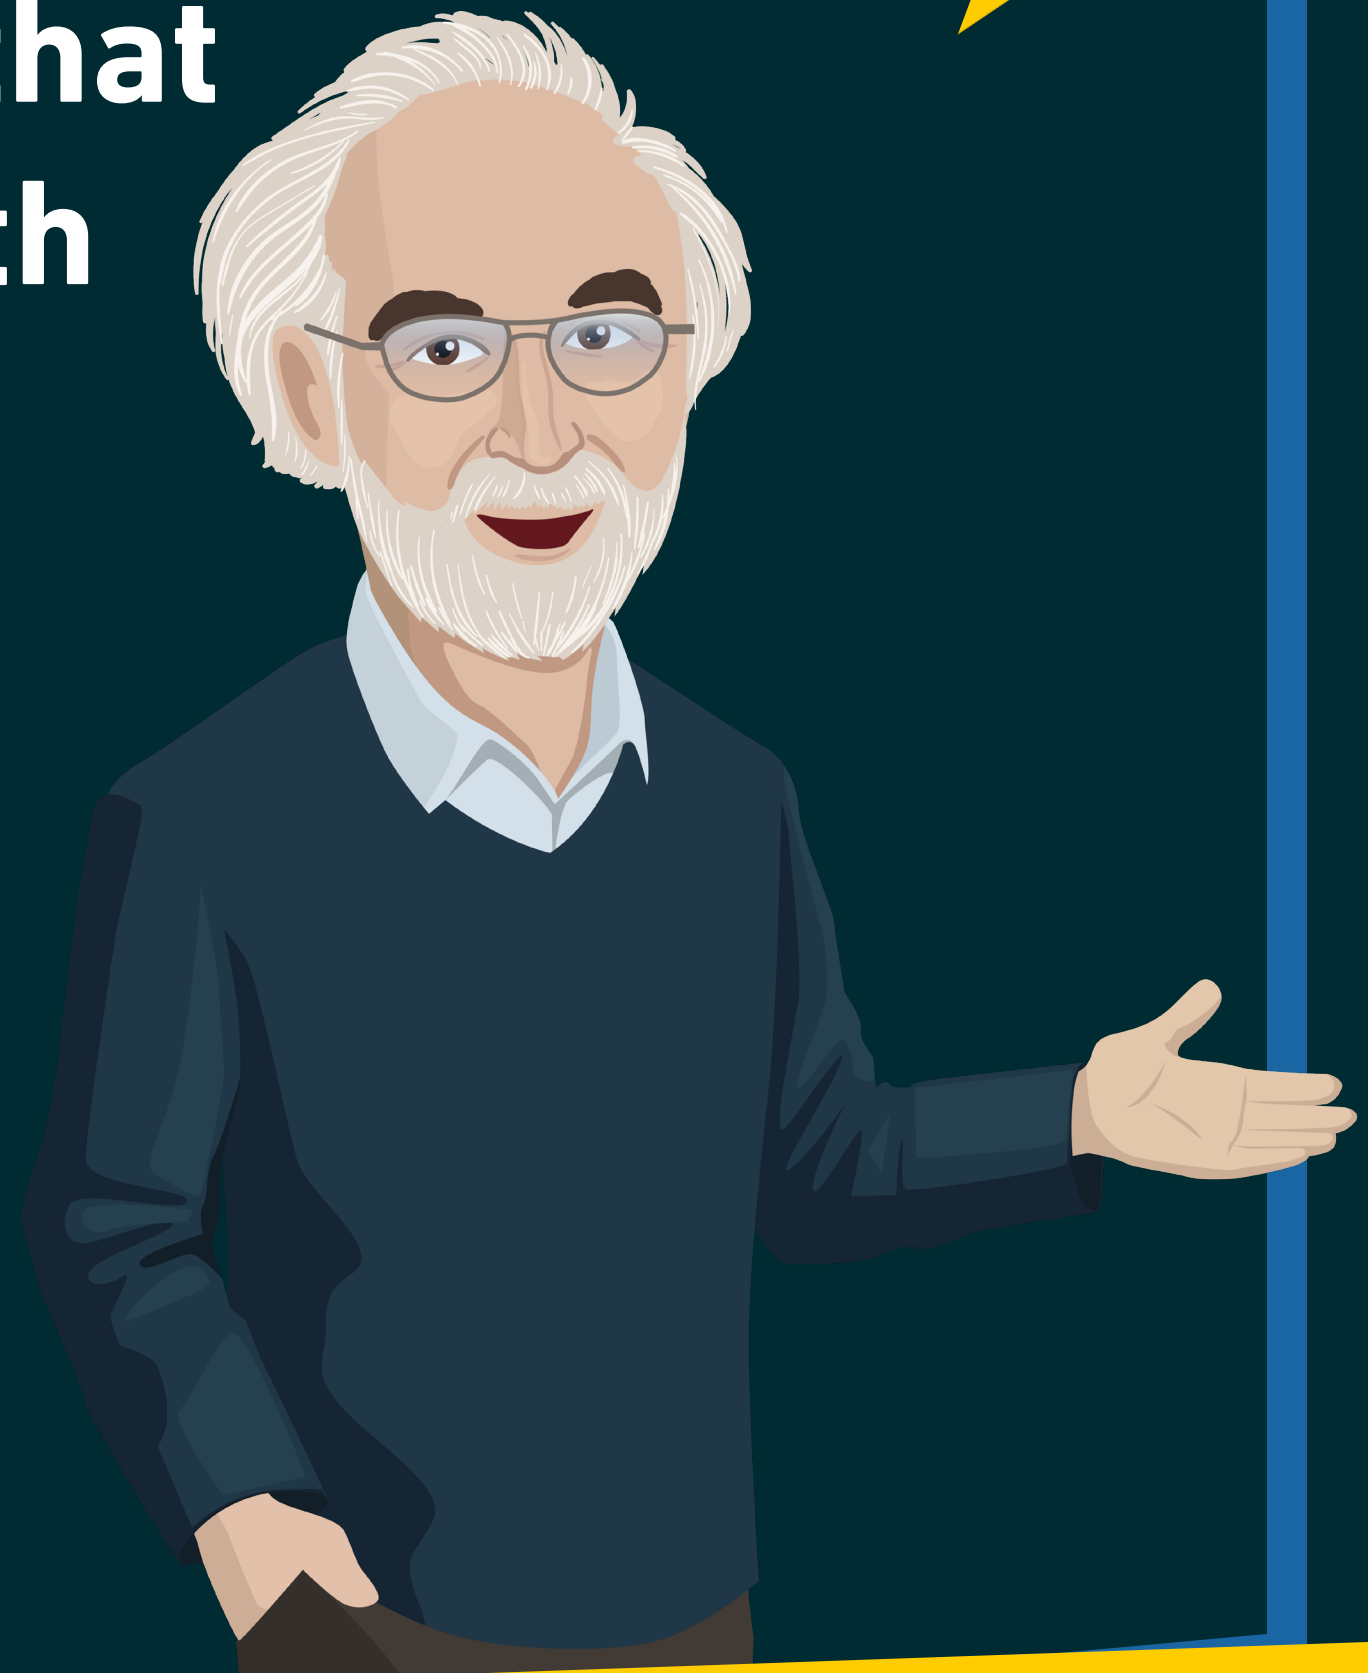

Exclusion Zone actually describes a zone that contains this fourth phase of water.

Gerald Pollack

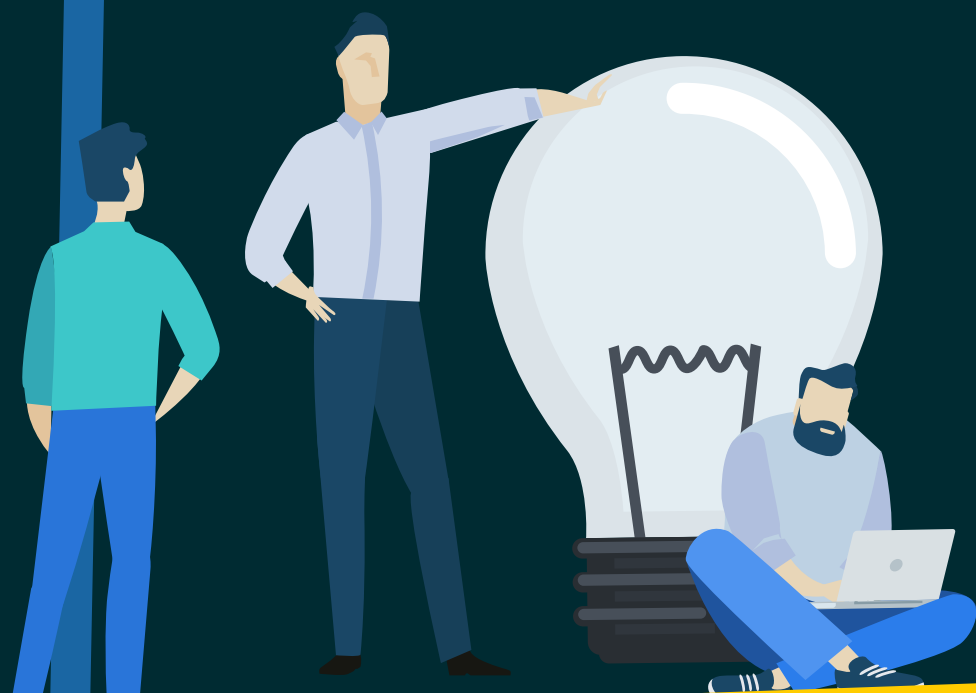

Author of “the Fourth Phase of Water”

(DON'T!)

**WASTE
WATER**

Full story on dww.show

**The 4th phase of
Water excludes almost
everything from it
because it's a dense
and tightly packed
entity.**

Gerald Pollack

Author of "the
Fourth Phase of Water"

(DON'T!)
**WASTE
WATER**

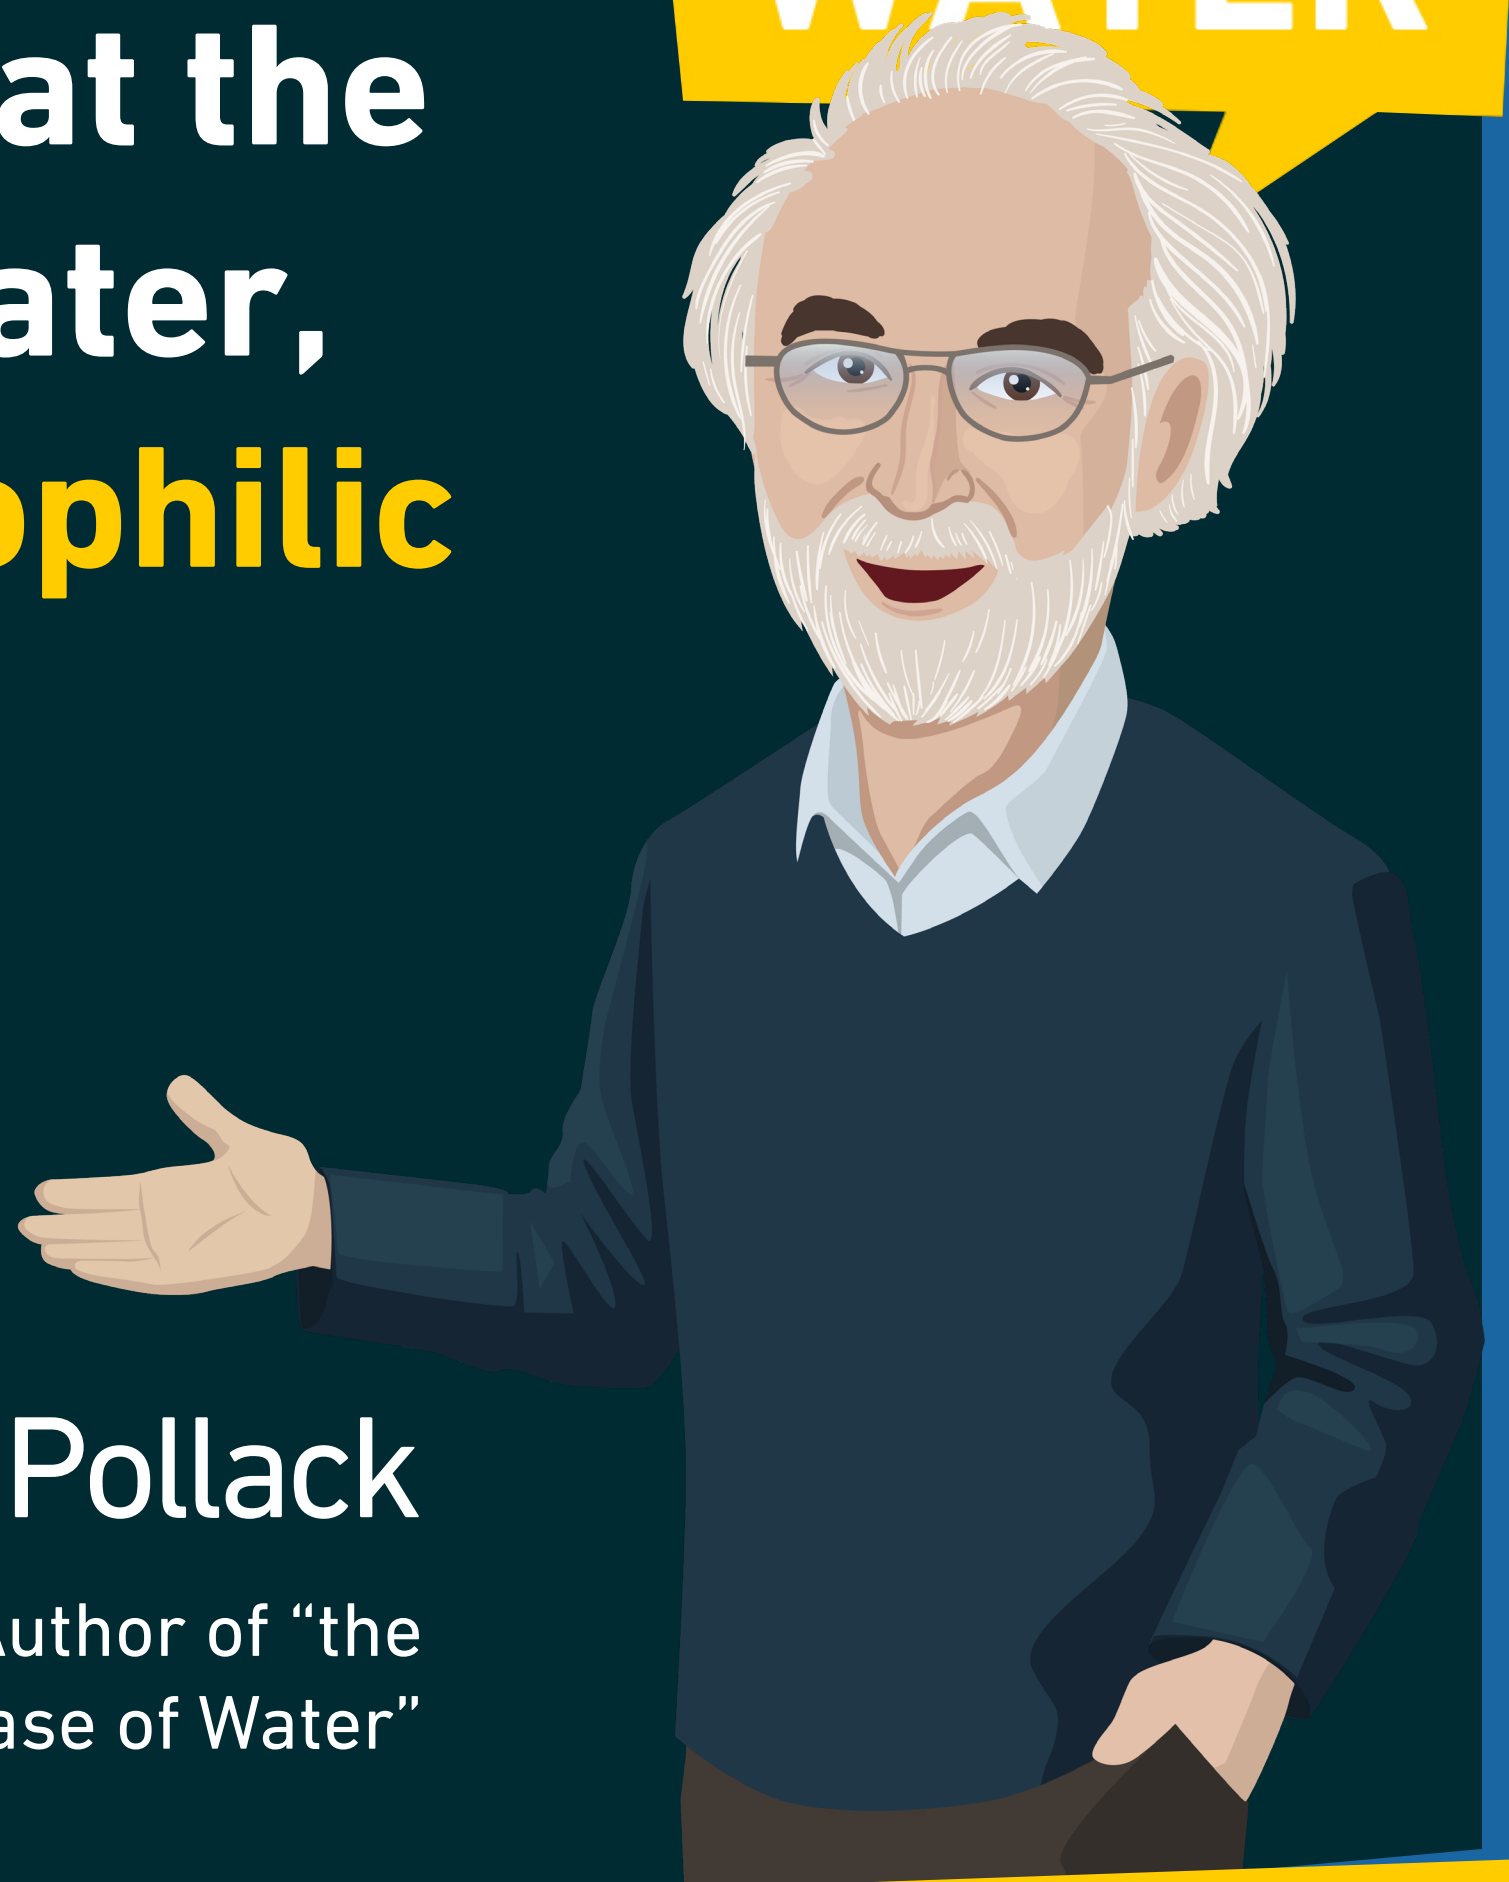

Full story on dww.show

It does form at the surface of water, **next to hydrophilic surfaces.**

(DON'T!)

**WASTE
WATER**

Gerald Pollack

Author of “the
Fourth Phase of Water”

Full story on dww.show

Water molecules transform to a sheet like array that has a hexagonal motif to it, consisting of hydrogens and oxygens. **It's not water anymore!**

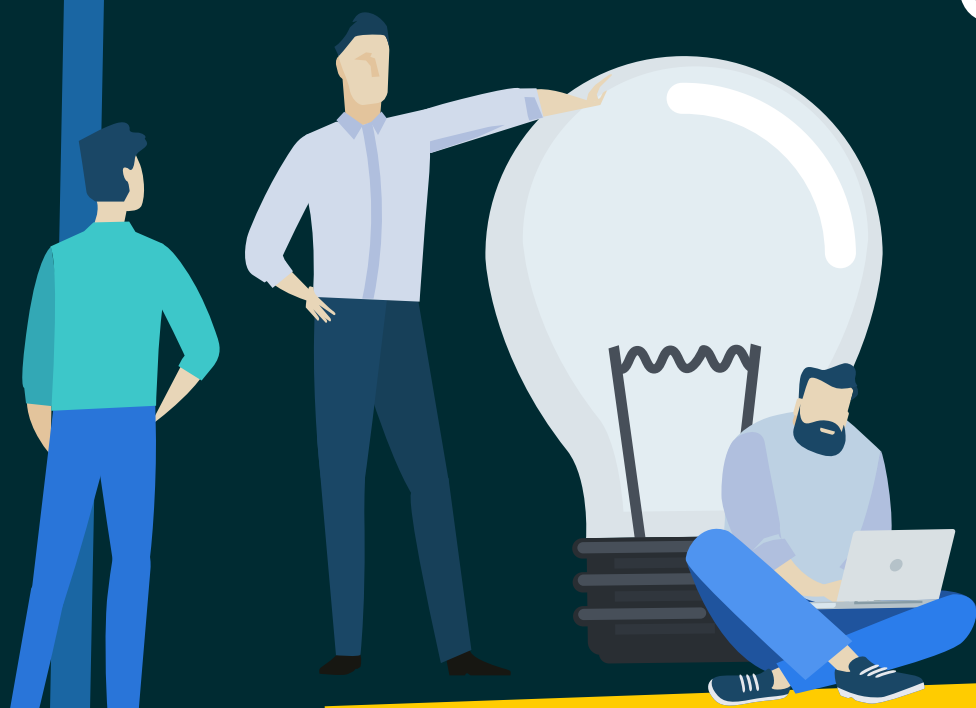

Gerald Pollack

Author of "the Fourth Phase of Water"

(DON'T!)
**WASTE
WATER**

Full story on dww.show

A feature of that transformation is that this structure is not neutral anymore. **I has negative charge!**

(DON'T!)

WASTE WATER

Gerald Pollack

Author of "the Fourth Phase of Water"

Full story on dww.show

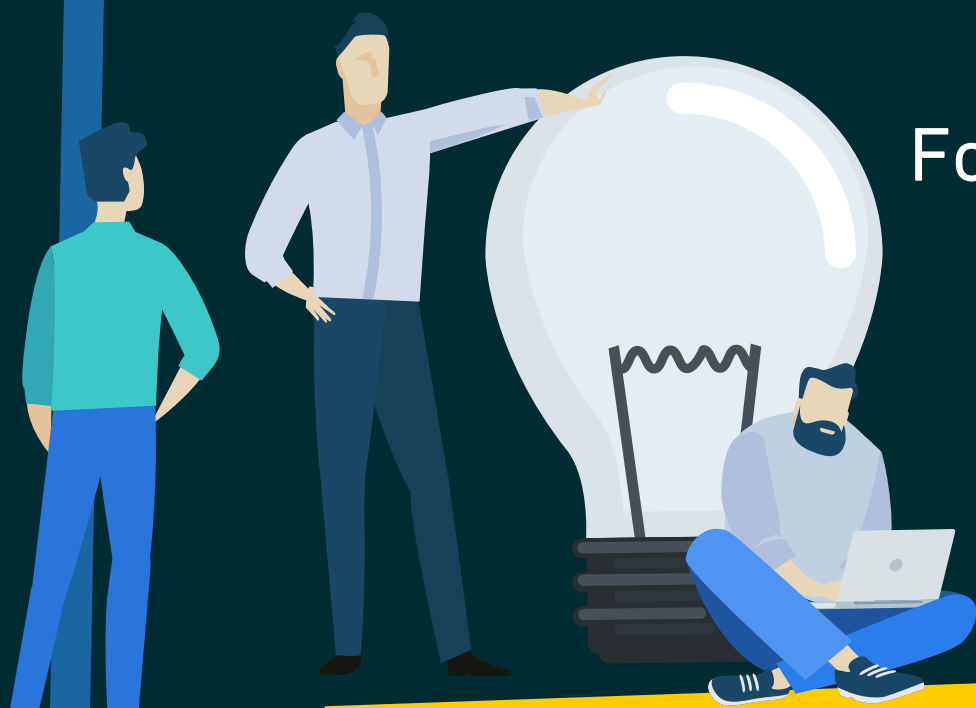

You have a separation
of charges which
creates a battery.

**You can actually obtain
electrical energy!**

Gerald Pollack

Author of “the
Fourth Phase of Water”

(DON'T!)

**WASTE
WATER**

Full story on dww.show

The energy that creates the 4th phase of Water **actually comes from incident light**, and particularly infrared light.

(DON'T!)
**WASTE
WATER**

Gerald Pollack

Author of "the
Fourth Phase of Water"

Full story on dww.show

“

Calling it fourth phase of Water is perhaps erroneous because you might say that it's not water anymore.

It's H3O2.

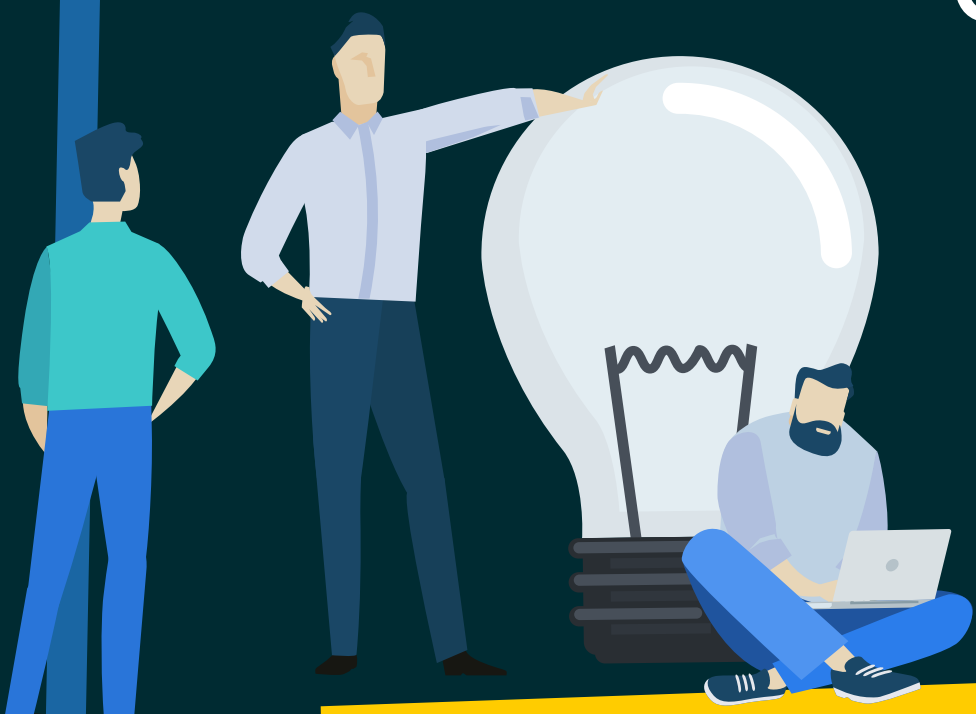

Gerald Pollack

Author of "the Fourth Phase of Water"

(DON'T!)
**WASTE
WATER**

Full story on dww.show

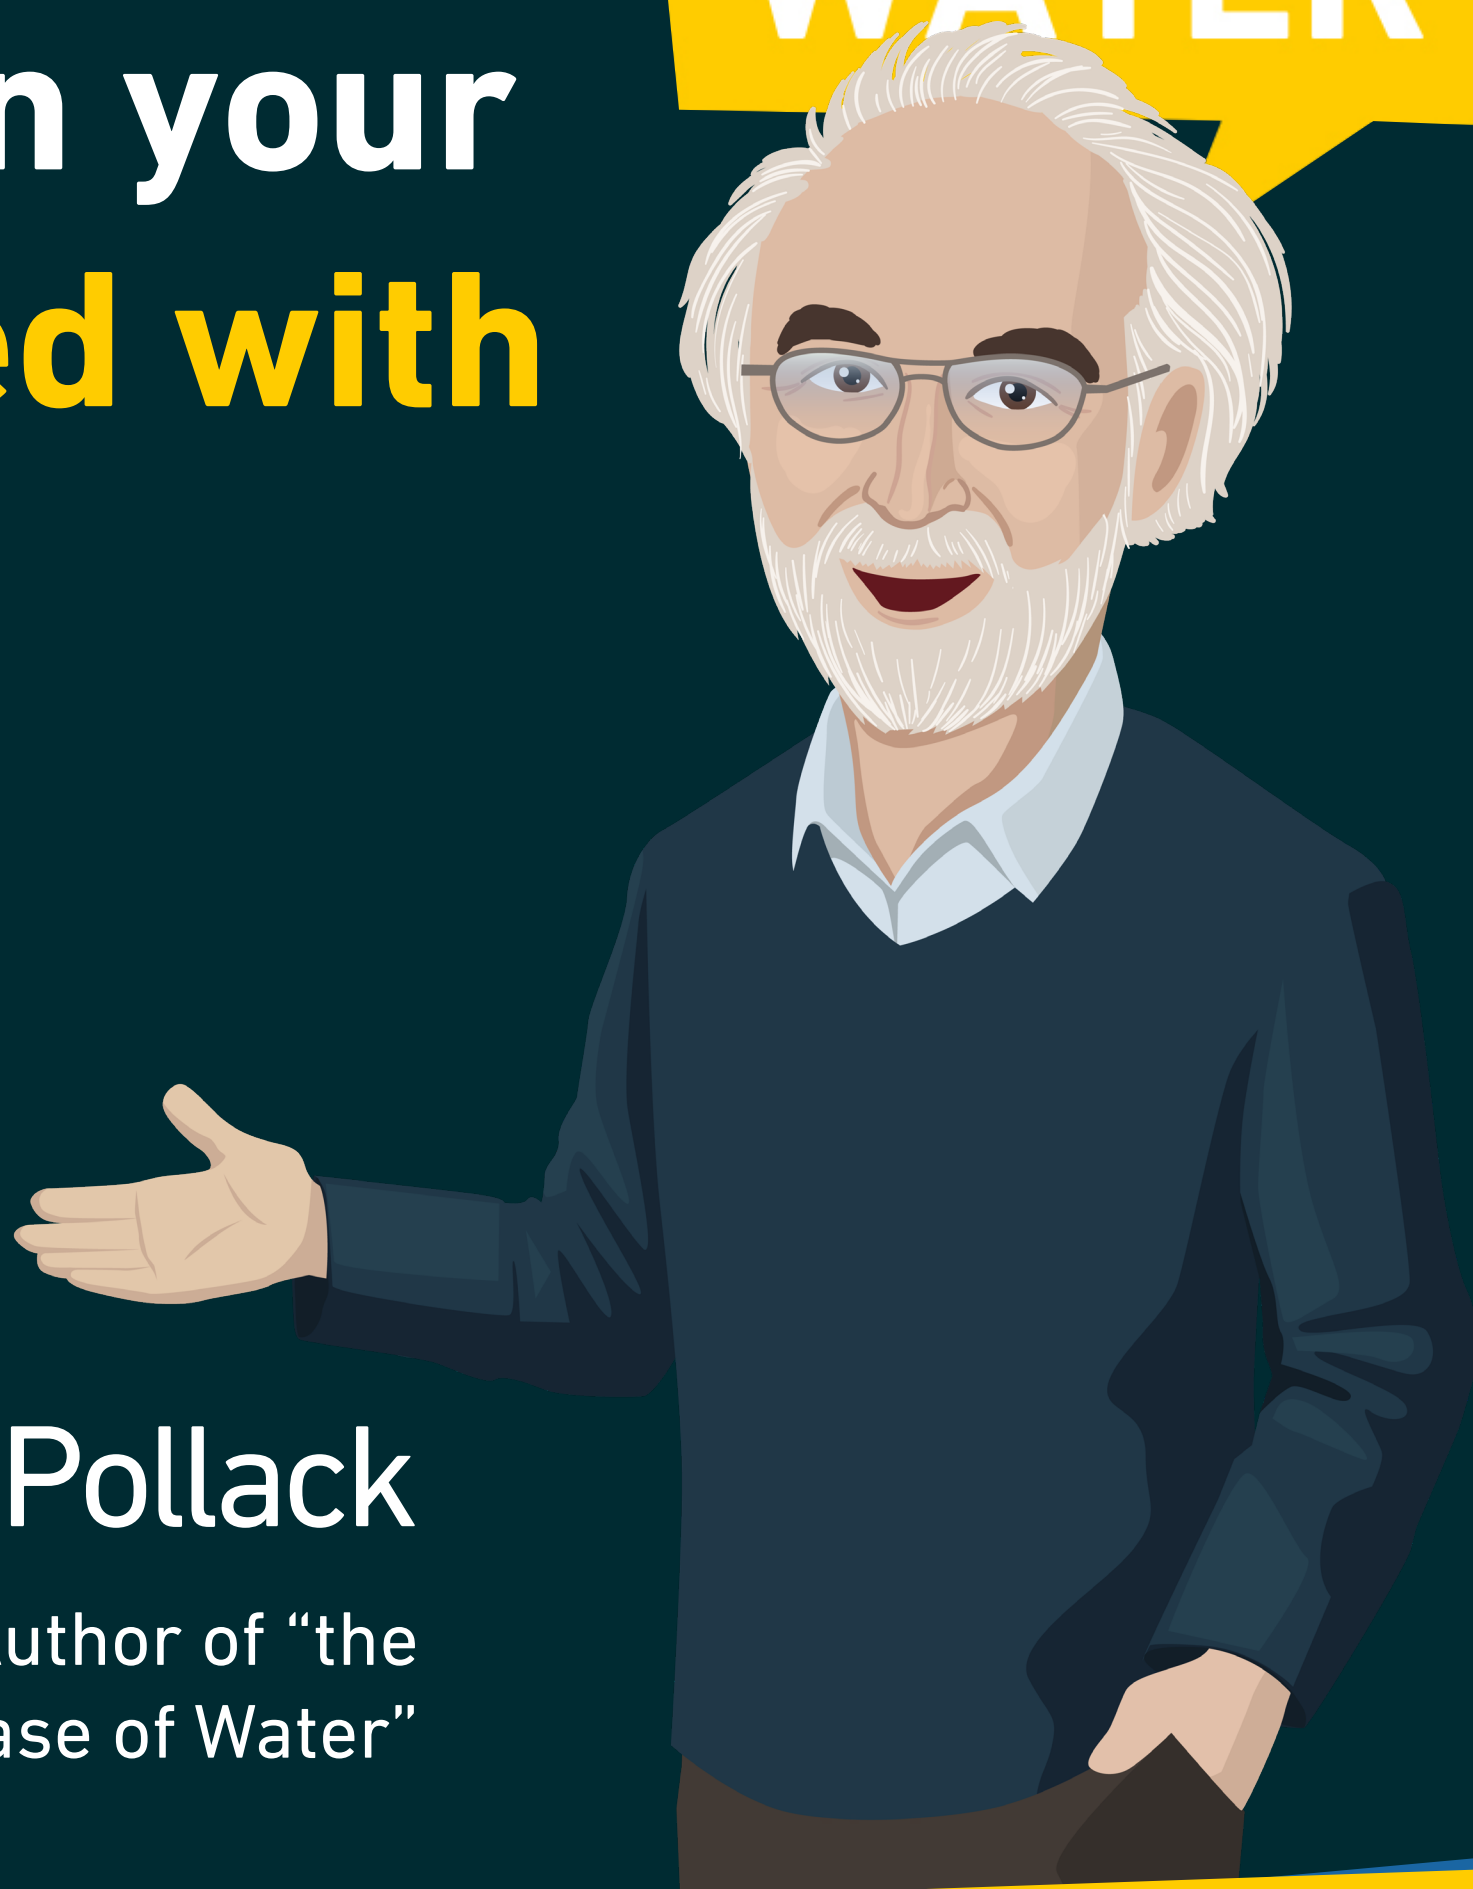

Every cell in your
body **is filled with
EZ Water!**

(DON'T!)

**WASTE
WATER**

Gerald Pollack

Author of "the
Fourth Phase of Water"

Full story on dww.show

“

The formation of EZ Water bears so close resemblance **to the first step of photosynthesis**, that I can't help but wonder whether the two are actually the same.

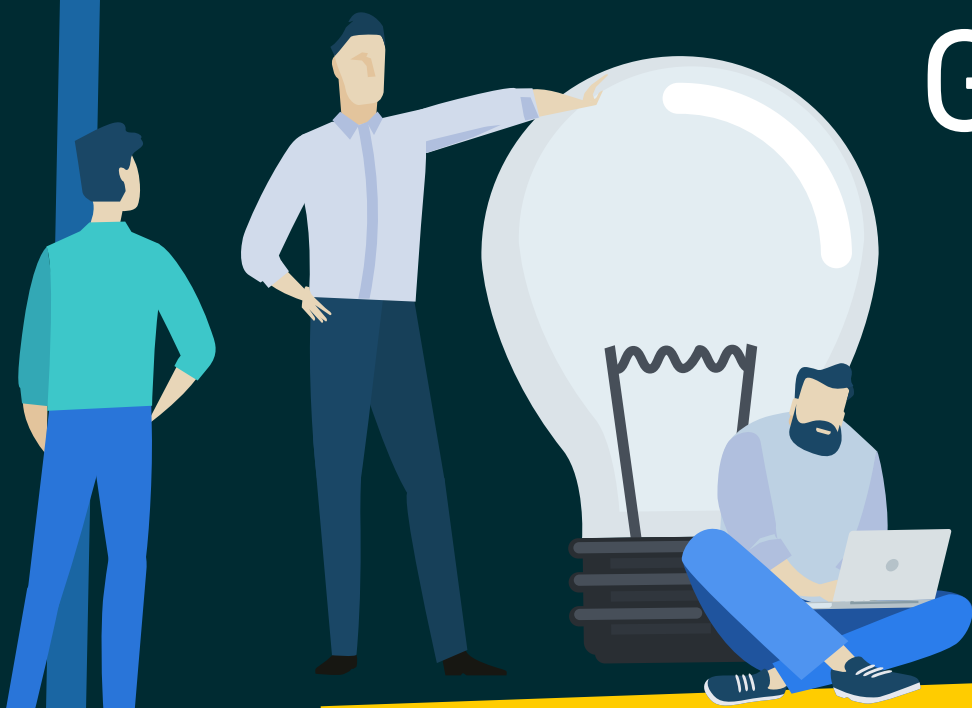

Gerald Pollack

Author of "the Fourth Phase of Water"

(DON'T!)
**WASTE
WATER**

Full story on dww.show

“

We formed a startup called “Fourth Phase Inc.” We’ve been especially pursuing two applications that we’ve had in mind.

Gerald Pollack

Author of “the Fourth Phase of Water”

(DON'T!)

WASTE
WATER

Full story on dww.show

“

It takes an awful lot to cross the so-called “valley of death” successfully from a laboratory observation to something that’s usable in a practical sense.

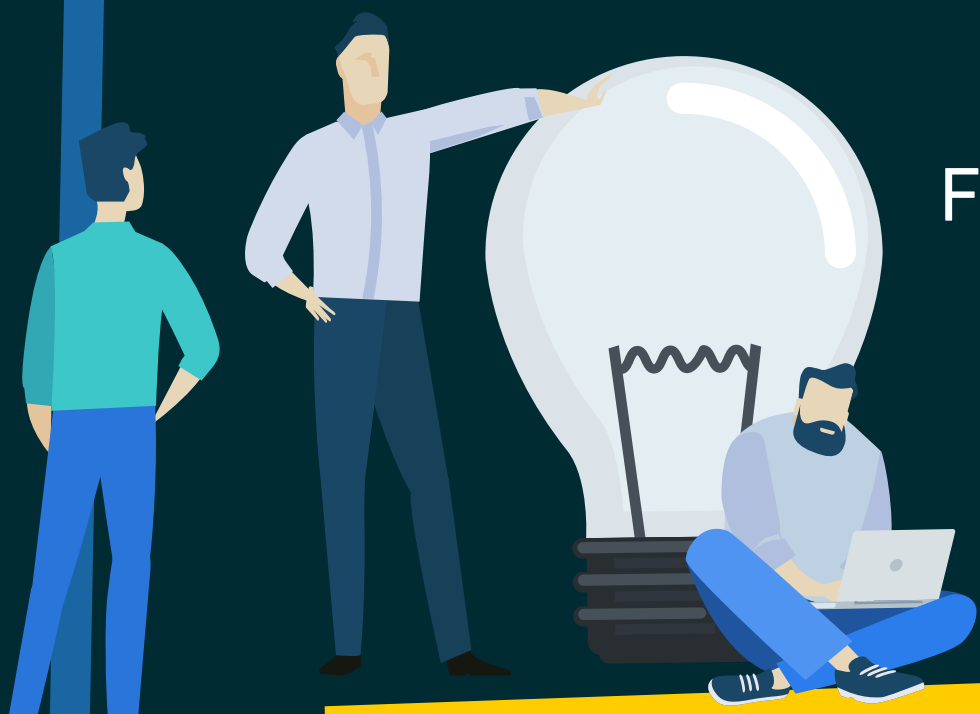

Gerald Pollack

Author of “the Fourth Phase of Water”

(DON'T!)
**WASTE
WATER**

Full story on dww.show

When you see a structure that is spherical, how do you know what it is? **How do you know if it's a droplet or how do you know if it's a bubble?**

Gerald Pollack

Author of "the Fourth Phase of Water"

(DON'T!)
WASTE WATER

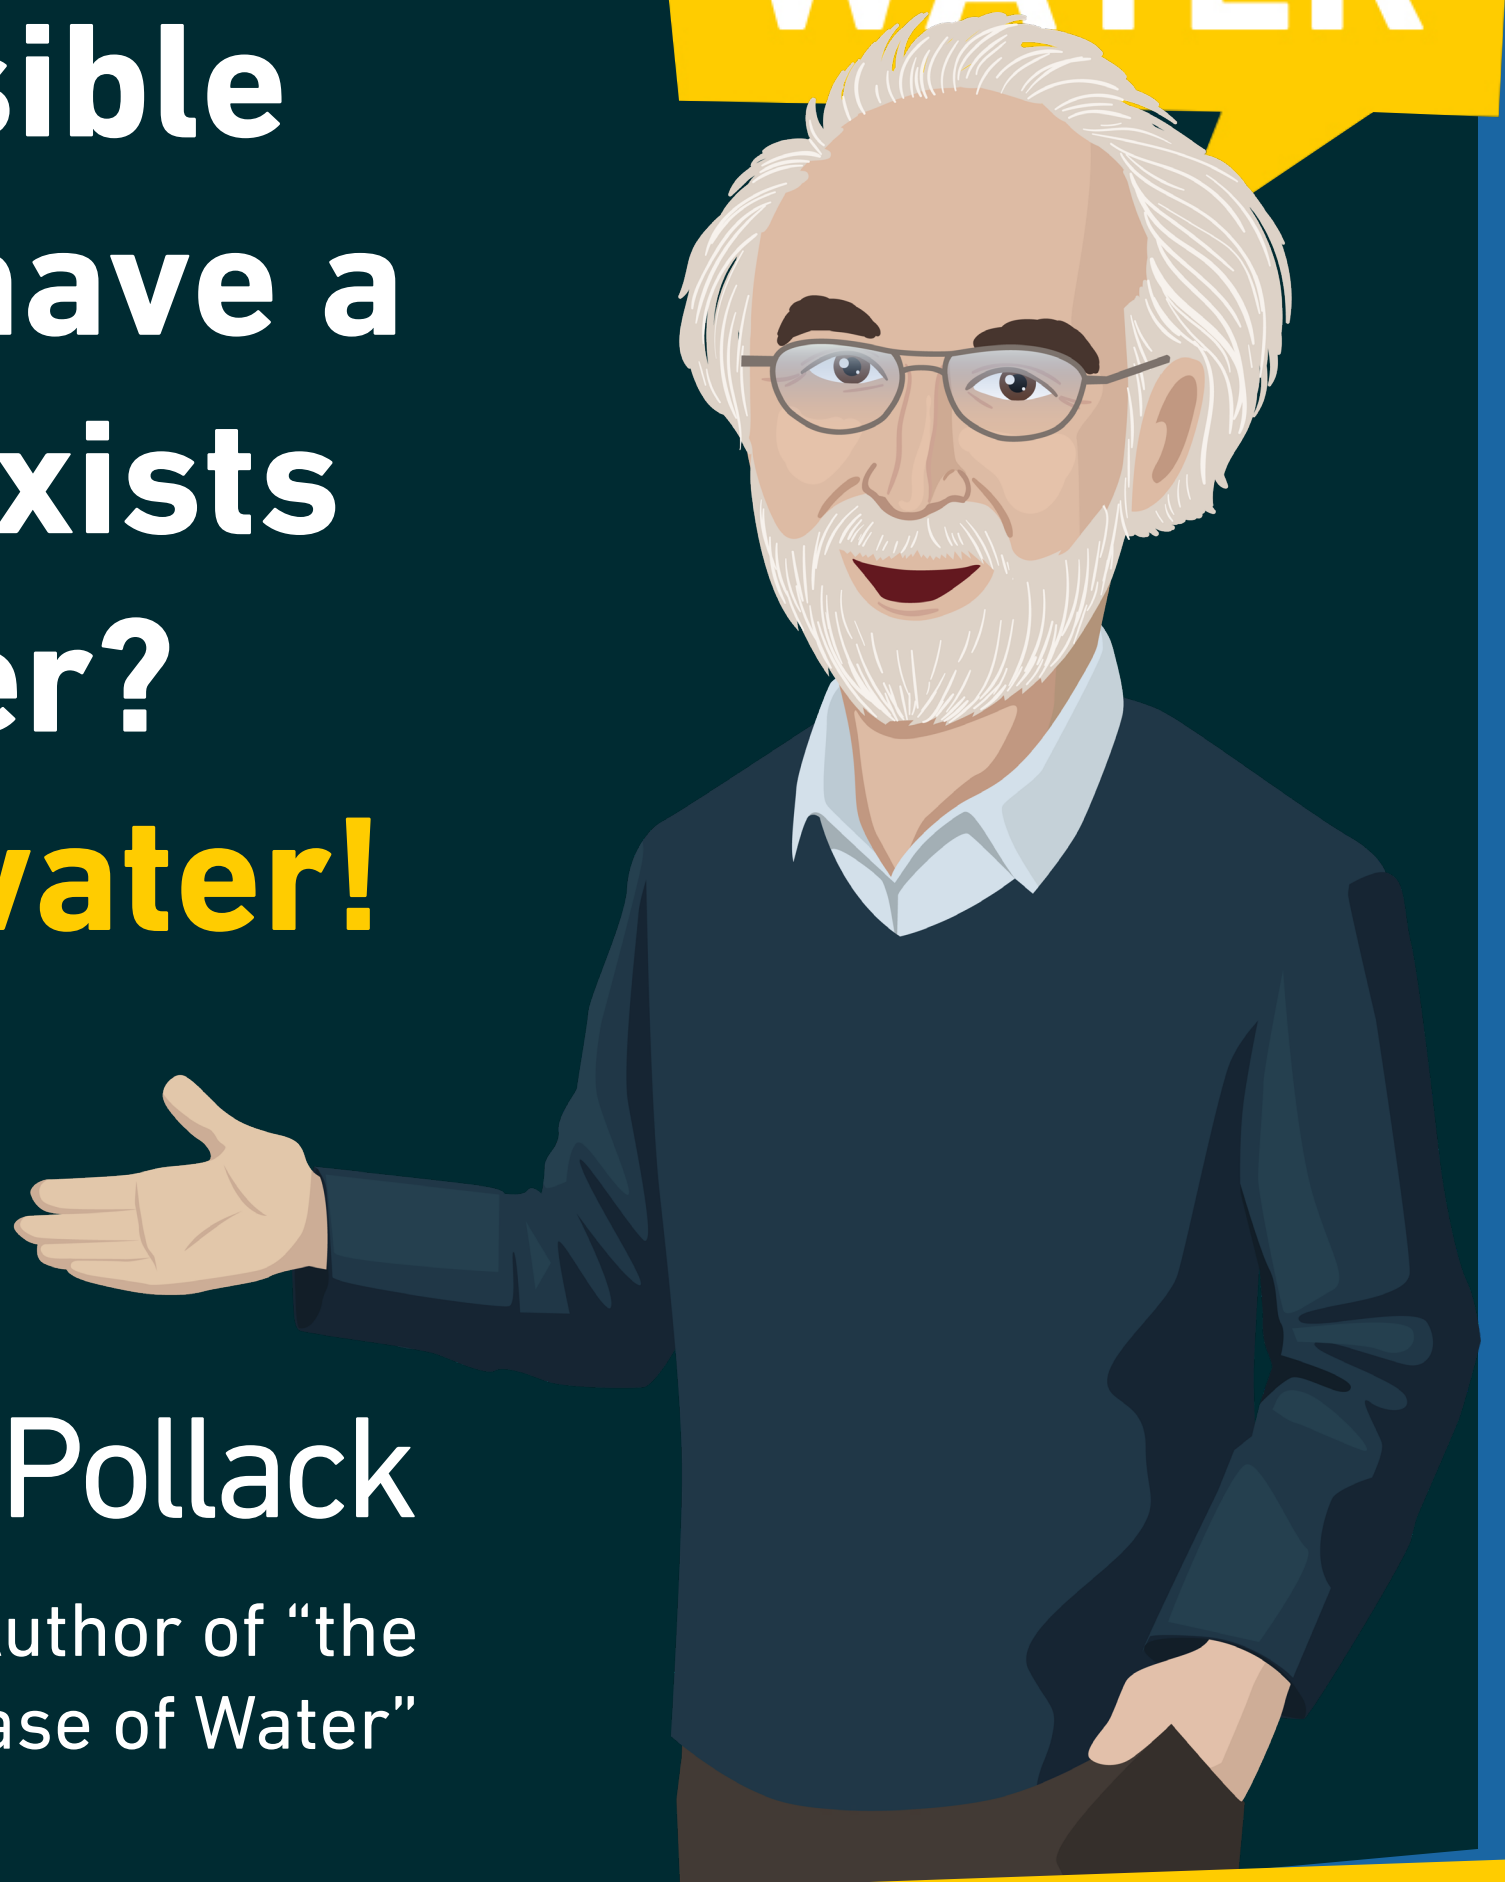

Full story on dww.show

How is it possible
that you can have a
droplet that exists
inside of water?

It's water in water!

(DON'T!)
**WASTE
WATER**

Gerald Pollack
