Sustainability and
Social Impact @ Xylem

(DON'T!)
**WASTE
WATER**

Full story on dww.show

Sustainability is not something that you can get to the end of the road and say “we did it,” or “we’ve accomplished it.”

It really is a journey. If we get to 2025 and let’s say we get there, we accomplish that goal. Well, we’ll have another goal in place for 2030 and for 2035.

And this will continue on!
